Balance, Inc and Ozaukee Family Services will benefit from the combined efforts of 30 employees of Harris Bank during the company's fifth annual Volunteer Day on Thursday, June 9.

At Balance, Inc., an agency that provides support to people with developmental disabilities, volunteers will do projects that include weeding and mulching, landscaping and planting gardens and painting.

Another group of employees will work at Ozaukee Family Services and the eight non-profit agencies located in the Family Enrichment Center in Grafton.
