The Port Washington city yard on Moore Road is open for residents to drop off yard waste.

The yard is open from 3 to 6 p.m. Tuesdays and Thursdays and from 10 a.m. to 4 p.m. Saturdays.

Grass, garden waste and other materials should never be raked into the street or curb. Those are among the materials that will be accepted at the yard.

Leaves may be raked into the gutter, but only in the fall.
